Appleton Locks and Dams
Between the 31.7 mile marker and the
29.8 mile marker on the Lower Fox River
Appleton
Outagamie County
Wisconsin

HAER No. WI-84

The Lower Fox River Waterway begins in Menasha, Winnebago County, Wisconsin, and extends 37 miles through De Pere, Outagamie and Brown Counties to Green Bay, Wisconsin. However, for shelving purposes at the Library of Congress, Menasha in Winnebago County was selected as the "official" location for the Lower Fox River Waterway.

Photographer: Joseph Paskus, July 1995
